How are public libraries engaging with Library 2.0?

Bibliography

Please note that, where available, the url given is the data object identifier (DOI) as this is the most stable form of url. To link to the paper cited, enter the following url into your browser http://dx.doi.org/ and enter the DOI quoted. The browser will then link to a page associated with the DOI.

http://news.independent.co.uk/uk/this_britain/article3295854.ece [Accessed 9 January 2008].

International Association of Scientific and Technological University Libraries.

http://InformationR.net/ir/12-4/colis05.html] [Accessed 28th September 2009].

St James St Library. (2008). *St James St Library Campaign* [Online].
